                                            ODU Site Director

Benediction                                                                 Phyllis J. Fleming

Recessional*

Patrick Henry Community College will honor its graduates and guests with a reception
in the J. Burness Frith Economic Development Center immediately following the ceremony.

*Audience should stand during the Processional and Recessional.
Music performed by Jencie Gibson.
Patrick Henry Community College

Mission
Patrick Henry Community College is a comprehensive two-year institution committed to student success, lifelong learning, and enrichment of the quality of life in the region it serves.

Vision
PHCC aspires to be nationally recognized as an exemplary learning college.

About the Awards
Associate in Arts and Science Degrees provide the first two years of instruction in major fields that prepare students for transfer to colleges and universities to complete baccalaureate degrees.

Associate in Applied Science Degrees provide two years of instruction to develop knowledge and skills leading to employment or career advancement in specialized fields.

Diplomas are two year programs designed to prepare students for employment or career advancement in the field immediately after completing the program.

Certificates can usually be completed in one year of full-time enrollment and offer specific general education along with key skill area courses designed to respond to local employment needs.

Career Studies Certificates require less than a full year of study in an occupational area, but include key courses for a strong introduction to the area of study. These courses are designed primarily to enhance or develop job skills.

Tradition of the Academic Costume
The academic costume of cap and gown worn by the faculty and other dignitaries in the commencement ceremony had its origin in the universities of the Middle Ages. There are four parts of today's academic costume: the gown, the hood, the cap and the tassel. Each varies by academic level. The gown is generally black and the sleeves of the gown indicate the degree held by the wearer. The hood is the most important and distinctive feature of the costume. It is a separate ornamental fold of cloth that is worn around the neck and drapes down the back of the gown. It is a visual representation of the academic degree, consisting of a velvet band and lining. The band differs in size according to the various degree levels. The velvet's color symbolizes the field of learning. The length of the hood also varies with the degree. The longer the hood drapes down the back of the robe, the more advanced the degree. The official color(s) of the college or university are represented in the lining of the hood. The cap is usually a black mortarboard and is said to symbolize the books of the scholars. The tassel is usually black or a color symbolizing the field of higher learning.
2012-2013 Graduation Candidates

Associate of Arts and Science in Business Administration
Seth Benjamin Helms
Justin D. Leffue
Michelle Blevins Lyons
Joshua Austin Mitchell
William Adam Steven

Associate of Arts and Science in General Studies
Jordan Keith Adams
Taylor Nicole Agee*
Harold Earl Allin
Olivia F. Allred*
Karina Altamirano*
Tiffany Nicole Archer
