

SPRING 2024 NURSING INFORMATION SESSIONS

Learning how to prepare for and apply to the Associate Degree Nursing Program or Practical Nursing Program

PLEASE NOTE: PROGRAM APPLICATION REQUIREMENTS **require** students to attend a Nursing Information Session *within 6 months of application submission* of the Associate Degree Nursing Program or Practical Nursing Program.

ATTENTION: Students MUST pre-register in order to attend. Once a pre-registration request is received via email, a confirmation message will be sent. All nursing program information sessions will be **hosted in-person** in the classrooms specified next to the date and time listed below. The Nursing Retention Specialist reserves the right to reschedule or cancel an information session due to low pre-registration. If any changes are made to a session, students will be notified via the e-mail address they pre-registered with.
