

RN – BSN Program Requirements

Information below is subject to change. Contact the college or university for specific graduation requirements. Updated June-15

Minimum Admission Requirements:

Programs listed typically require a 2.5 – 3.0 GPA, an unrestricted RN license, A.D.N. degree, proof of employment, and other course pre-requisites. Students will need to visit the website listed for each school for detailed admission requirements.

★ IMPORTANT

This is a guide only - requirements can change. Be sure to check with the desired RN to BSN program(s) directly for specific requirements.
