## STEP TWO: APPLY TO THE PRACTICAL NURSING PROGRAM

- After completing the admission requirements above, submit a Practical Nursing application during the published application period. The next application period will be held in **February 2027** for the class beginning May, 2027. Applications for the PN program must be completed on the P&HCC website during the designated application period. The application will be considered incomplete without required official transcripts being submitted to the Admissions Office ([admissions@patrickhenry.edu](mailto:admissions@patrickhenry.edu)).

## AFTER APPLICATION SUBMISSION

- Completed applications will be processed following the posted application deadline and qualified applicants will be invited to take the timed admission test.
- \*Qualified applicants are those that meet **STEP ONE** and **STEP TWO** as outlined above.

- The ATI TEAS entrance exam includes the following areas of assessment: science, math, reading, and English and language usage.
- ATI suggests the following preparatory text: Official ATI TEAS Study Manual, Aligned to the new ATI TEAS Version 7 Blueprint, ISBN 978-565332393. [ATI TEAS Study Manual](#). This book is available for purchase online or on closed reserved in the LRC.

## ADMISSION NOTES

- Students must score 60% or higher on the TEAS entrance exam to be considered for program admission. Priority admission will be awarded to students who earn a cumulative score of 60% or higher on the entrance ATI exam or equivalent and have a cumulative GPA of 2.5 or higher. If scores are equal the higher GPA will be the determinant, if GPA is equal the higher ATI TEAS score will be the determinant, if both are equal, the pre-application Science grade will be the determinant.
- All students must complete a criminal background check. Applicants who have committed a felony/misdemeanor may not be offered admission. The Board of Nursing may deny any application for licensure if the applicant has committed a felony/misdemeanor under laws of the Commonwealth of Virginia of the United States.
- Students must take and pass a drug screening test prior to starting clinical nursing courses. A positive drug screening test will prohibit students from starting clinical nursing courses.
- Students who are accepted to the program must participate in mandatory patient care clinical experiences and proof of the COVID-19 vaccine or a waiver request for exemption is currently required by clinical agencies.
- The Patrick & Henry Community College Practical Nursing Certificate Program has been granted full approval by the Virginia Board of Nursing. (<https://www.dhp.virginia.gov/Boards/Nursing>)

Students will be assigned to the Health Technology – Pre-Nursing Certificate until they are accepted into and start the clinical Practical Nursing courses. After completing the appropriate developmental classes if needed, the student may enroll in the following courses while waiting admission to the practical nursing program. Completion of these courses is NOT required to be considered for admission.
