P&HCC'S MAIN CAMPUS

Patrick & Henry Community College boasts a vibrant and inviting campus nestled in Martinsville, Virginia. With state-of-the-art facilities, modern classrooms, and well-equipped labs, the college provides an excellent learning environment for its diverse student body. The campus features beautifully landscaped grounds, encouraging a serene atmosphere for students to study and socialize. Additionally, the college offers various resources, including a comprehensive library, student support services, and recreational areas, all designed to support academic and personal growth. At P&HCC, students find a supportive and dynamic community committed to fostering success and lifelong learning.
